- With the purchase of the Special or Deluxe Wedding Package, I will schedule to photograph the bridal party and families before and/or after the wedding ceremony at the bride and groom's request. With the purchase of the Economy Package, all pictures will be taken before the wedding.
- Full coverage includes two hours of shooting time at bride and groom's reception. Additional time is \$65.00 an hour.
- The Bridal couple will be able to choose the color of their wedding album and pick the order and layout of the prints inside the album when picking a traditional album. When choosing a coffee table book, bride and groom pick up to 100 favorite images and I will lay them out in the coffee table book.
